

Activities of the Edo State Investment Promotion Bureau: A One Stop Shop

Kelvin Uwaibi (SSA Investment Promotion)

Let's GO further, *Invest Edo*

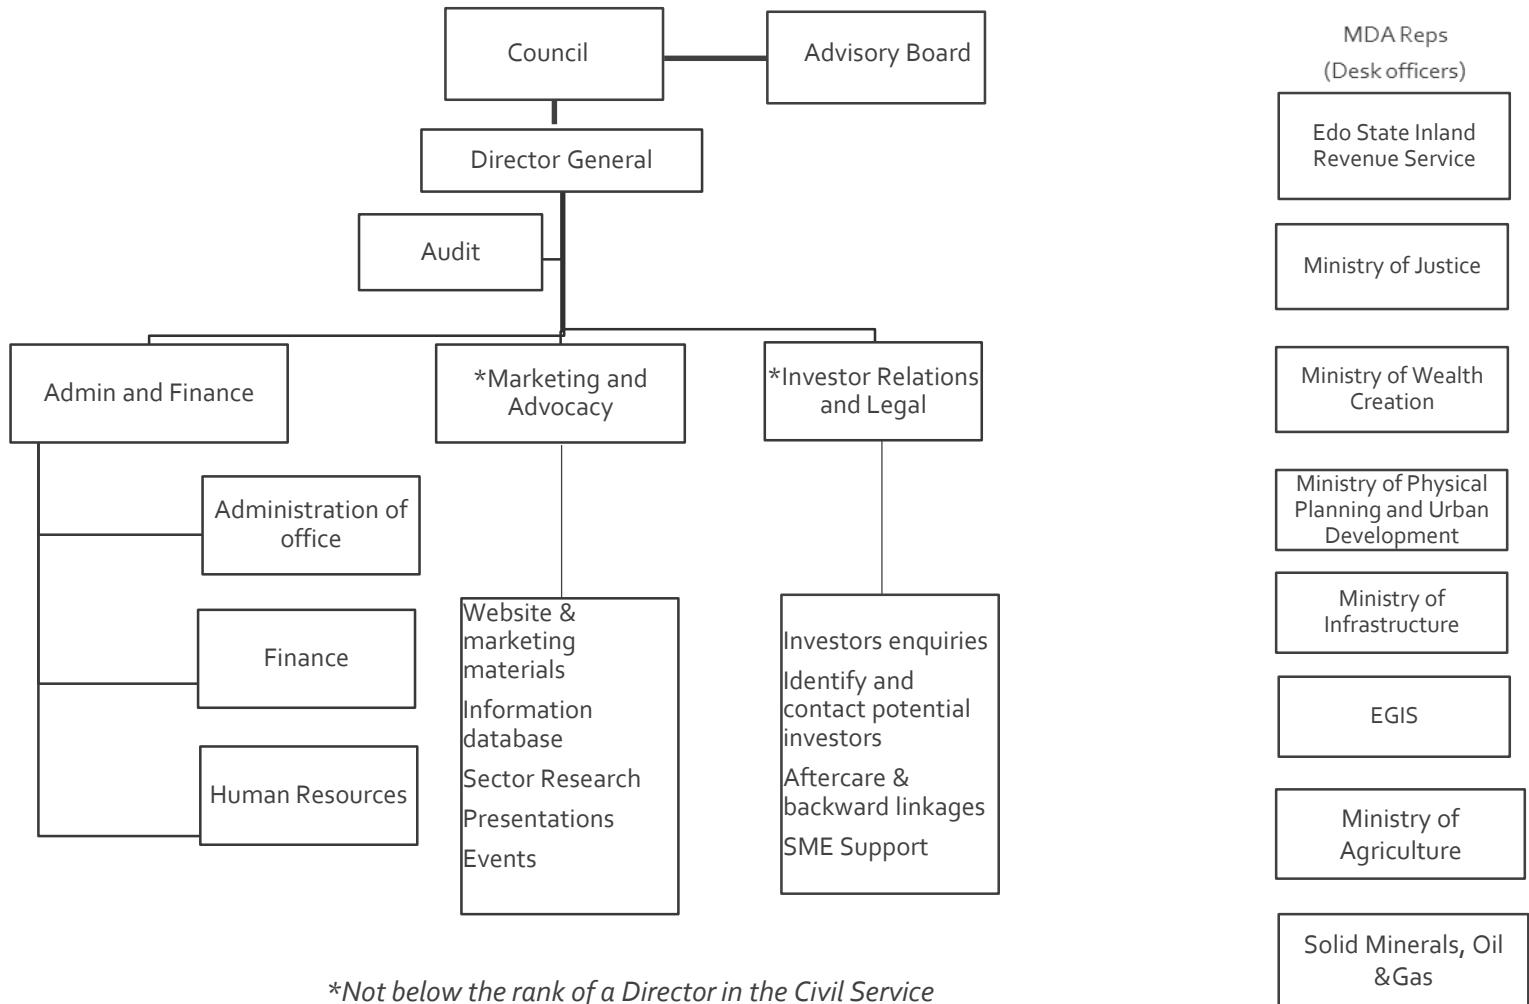

To make Edo state the preferred investment destination for investors by providing first class services through its team of professionals

To work with all relevant stakeholders through a well defined synergy and provision of excellent services to attract, stimulate and facilitate investments.

Provide quality business data to domestic and foreign investors. Showcase the states comparative advantages. Boost ease of doing business in the state.

Organogram

**Not below the rank of a Director in the Civil Service*

Objectives

- ❑ Formulate investment promotion policies.
- ❑ Plan marketing strategies and undertake promotional activities to attract foreign and local investments. Hence stimulating the development, expansion and growth of the economy.
- ❑ Contribute to government strategies related to the enhancement of the business context and formulate propositions to government.

Objectives...

- ❑ Act as an intermediary between the public and private sector in order to formulate proposals to the government for the improvement of the business environment.
- ❑ Improve the level of investment through diversification.
- ❑ Focus on attracting investors to crucial sectors such as ICT, Agriculture, Healthcare, Education, and Tourism.

Services

- ❑ Facilitate speedy grant of business entry permits, licenses, authorization to would be investors.
- ❑ Inform investors of available incentives.
- ❑ Create a one stop shop environment for would be investors where data on the Nigerian economy and Edo State can be found

Services...

- ❑ Facilitate informed investment decisions, post entry approvals, licenses and sector-specific permits with government agencies and general advisory services on profitable investment opportunities in Edo State and Nigeria.
- ❑ Matching investors requirements with opportunities available in the 18 Local Government Areas (LGAs) in Edo State.
